

NOTICE

NEET (U.G.) 2018 College Level Counselling for Stray Vacancy

Hon'ble Supreme Court in Writ Petition (s) (Civil) No(s). 267/2017 Dar-Us-Slam Educational Trust and ors versus Medical Council of India and ors. dated 09.05.2017 paragraph no. 7 has directed:

“In order to ascertain the number of seats that still remain vacant after the counselling the State Government or the authority designated by the State Government shall conduct manual counselling for allotment of students. After the completion counselling, the State Government shall determine the number of seats that are still vacant and thereafter shall forward a list of students in order of merit, equalling to ten times the number of vacant seats to the medical college so that in case of any stray vacancy arising in any college the said seat may be filled up from the said list.”

Honourable High court of Uttarakhand in writ petition No (M/S) 2554 of 2018 and writ petition No (M/S) 2560 of 2018 dated 24.08.2018 has directed:

“The Concerned medical colleges shall advertise the number of vacant seats in these colleges and also inform the State Centralised Counselling Board. It is made clear that only such seats the vacancy of which has been informed to the State Centralised Counselling Board shall be allowed to be filled by the concerned medical colleges in the stray round, which shall be done strictly in accordance with paragraph no. 7 of Dar-Us-Slam Educational Trust case i.e. in accordance with the merit list sent by the State Centralised Counselling Board. No other seat shall be allowed to be filled by the colleges under any condition as this Court has been informed that for certain reasons medical colleges, even though aware of the vacancy or the possible vacancy of these seats, do not announce/publish these vacancies till the last moment and then these seats are allotted to less deserving students in total disregards of merit. This needs to be checked.”

In compliance to the above directions the college level counselling of stray vacancy seats will be conducted by Principal/Admission authority of concerned medical college. The colleges are required to strictly adhere to the directions given by Hon'ble Supreme Court in Writ Petition (s) (Civil) No(s). 267/2017 Dar-Us-Slam Educational Trust and ors versus Medical Council of India and ors., Hon'ble High Court of Uttarakhand in Writ Petition No (M/S) 2554 of 2018 and writ petition No (M/S) 2560 of 2018 and MCI notification No. 47 dated 06th February, 2018.

The Principal/Admission authority of concerned medical college will publish an advertisement in the newspaper and college website giving the detail of vacant seat(s), time schedule and procedure of Counselling along with fee details.

The overall waiting list of the candidates and list of students in ratio of 1:10 for State and All India Management Quota Seats as per eligibility & security fee deposited and forwarded to the colleges against the present vacancy notified by the colleges till 26.08.2018 are uploaded on the University Website www.hnbumu.ac.in.

Keeping in view the time constraints and fixed time schedule of counselling and in order to inform maximum number of students who are holding merit positions in the waiting list to be aware of their waiting position, three consecutive waiting lists in ratio of 1:10 in order of merit are uploaded on the university website and provided to the colleges for college level counselling. If a seat remains vacant due to non-reporting, non-availability and non-interested candidates of the first waiting list only then the second waiting list candidates will be considered for allotment in order of merit. Similarly, if the second waiting list is also exhausted only then candidates from the third waiting list will be considered for allotment in order of merit.

Under no circumstance last date of admission will be extended beyond 31.08.2018.

All admission formalities will be completed by medical colleges, hence candidates are advised to contact the concerned medical colleges for any clarification.
